WHAT THE FARMER SAW.
These ladies down upon the beach,
Jeminy! How they eye you!
They're sure to say you are a peach,
And do their best to guy you.

Upon the sand all day they lie,
A-flirtin' with their fellers,
In bathin' suits that's shokin' high,
And gay with rods and yellers.

One gal that's there is just the boss,
She's always gay and talkin'.
One night she gave her head a toss,
And then she went a-walkin'.

"Come, love, out in the stilly night,
My only love!" she hollered;
And all the boys that was in sight
Arose en masse and follered!

SERIOUSLY INJURED.

Mrs. Mary A. Paul Received An Ugly Fall at Her Home.

Mrs. Mary A., wife of Mr. Charles Paul, who resides in Third street West of Commerce, met with a serious accident Friday evening.

She was in the cow stable, and had finished milking and was in the act of performing some other duty when in some way her foot slipped and she fell to the ground.

She was assisted to the house and a messenger dispatched for a physician.

On the arrival of Dr. J. B. Taulbee, and after an examination, it was discovered that a bone in the right leg had been fractured, the knee cap split and her hip dislocated.

Mrs. Paul is a very large woman, weighing perhaps 190 pounds, and it is supposed that the injuries sustained were caused by her own weight and the manner in which she fell.

She is about 62 years old.

ELOQUENT SERMON.

Preached to Oddfellows Last Night By Dr. McCready.

A large and appreciative congregation worshipped at the Episcopal Church last night, the occasion being a special sermon to the Oddfellows and Daughters of Rebekah.

The full service of the Church—beautiful and impressive in all its details—was first gone through with, then came an able and instructive address to the Orders by the Pastor, Dr. W. G. McCready.

With eloquence and beauty did the learned Doctor portray with well rounded sentences the merits of the beloved Order of which he was an honored member.

If the human family could be impregnated and infused with the sentiments as set forth by this man of God and expounded by him last night this world would be a paradise and a heaven on earth.

His theme partook largely of love for his fellowmen and in a masterly and vigorous manner did he point out and show his attentive audience their duties one to another.

The sermon was such as did good to all who had the good fortune to hear it.

Miss Harriett Johnson presided at the organ and was accompanied by Miss Rogers on the violin.

FOUND THE POCKET-BOOK.

But the Money Was Gone, and So Were the Thieves.

Thursday's LEDGER contained an account of the robbery of Mr. Inskip of Russellville, O., as he supposed on a train between Ripley and this city.

Saturday, while the porter was cleaning the storeroom attached to Mr. John Dersch's saloon in Wall street, he came across a large pocket book.

On inspection by Mr. Dersch it was found to be the property of Mr. Inskip, that gentleman's name being plainly written on one of the flaps of the book.

No money was found, but it contained several notes, one for \$50, and other valuable papers.

The pocket-book was turned over to Mr. Inskip's son-in-law, Mr. A. J. True.

There is a passageway leading to the storeroom that has an entrance from Second street, and it is supposed that the thief or thieves on their way up town from the Depot noticed the place and entered to divide the spoils.

Fortunately the book contained only \$20, Mr. Inskip being on his way home from the city where he had paid out large amounts.

MILLIONAIRE'S POOR STOMACH.
The worn-out stomach of the over-fed millionaire is often paraded in the public prints as a horrible example of the evils attendant on the possession of great wealth. But millionaires are not the only ones who are afflicted with bad stomachs. The proportion is far greater among the tollers. Dyspepsia and indigestion are rampant among these people, and they suffer far worse tortures than the millionaire unless they avail themselves of a standard medicine like Green's August Flower, which has been a favorite household remedy for all stomach troubles for over thirty-five years. August Flower rouses the torpid liver, thus creating appetite and insuring perfect digestion. It tones and vitalizes the entire system and makes life worth living, no matter what your station. Trial bottles, 25¢; regular size, 75¢. At Henry W. Ray's, next door to Postoffice.

Cartmell extracts teeth without pain.

Mr. Austin Smith, son of Dr. F. M. Smith of Dover, has taken a position in the office of the Covington Lumber Company.

Work on the Ohio River and Columbus Railway is progressing nicely. With fair weather and no unnecessary delays trains will likely be running to Ripley within the next month.

Never compare prices without comparing quality; you will find more difference in quality than you will in price. See our monuments and markers before buying elsewhere.

MURRAY & THOMAS.

The Kentucky Grand Lodge of Oddfellows convenes tomorrow at Lexington. DeKalb's representatives are Messrs. Byron Rudy, W. R. Smith, H. C. Curran, Harry Taylor, A. D. Cole and H. L. Walsh. Ringgold Lodge No. 27 will be represented by Messrs. W. E. Stallcup, W. E. Jackson and M. B. Clark.

All kinds of School Supplies are sold at Ray's Postoffice Drugstore.

Mrs. L. V. Davis is now prepared for the fall trade with a choice line of Millinery, and confidently invites an inspection of correct styles.

Jesse Johnson, aged 20, and Mrs. Elizabeth Smith, aged 45, both of Greenup, were refused marriage license at Portsmouth last week owing to the crippled condition of the boy. His mother accompanied the couple but the Judge wouldn't issue the necessary papers, nohow.

A Perfect Painless Pill

is the one that will cleanse the system, set the liver to action, remove the bile, clear the complexion, cure headaches and leave a good taste in the mouth. The famous little pills for doing such work pleasantly and effectually are DeWitt's Little Early Risers. Bob Moore of Lafayette, Ind., says: "All other pills I have used gripe and sicken, while DeWitt's Little Early Risers are simply perfect." Sold by J. Jas. Wood & Son, Druggists.

For yourself or boy you naturally want the best for the least money. The best goods are always the cheapest, and as we buy and carry in stock more Clothing than all the other stores in Maysville combined, our large purchases give us advantages that enable us to give you the best of merchandise at no bigger cost than you would probably pay for lower graded clothes elsewhere.

A word about the "Fits" we give you: Perfect fitting garments are desired by everyone, whether he pays \$10 or \$25 for a Suit or Overcoat. Now, "there" is a thing we are more particular about than the majority of our customers. We just WON'T let a garment go out of our house unless we are pleased. See them. We want you to take a glance at the Stein-Bloch Craventie Coat specially made for us. People who know say it's the handsomest garment they ever looked at. This coat is used both for Overcoat and Raincoat. If you are going to hunt this season buy a pair of our Milford High Top Shoes. They are strictly (guaranteed) water proof. They sell everywhere for \$6; we sell ours for \$5.

THE HOME STORE. D. HECHINGER & CO.

"Famous for LINENS"

We made that name in the old store and we will strengthen it in the new. Of all our stocks, our taste inclines very strongly to "the linens." We have studied them from every point and no path is too long nor too tedious for us to pursue in our effort to find "a little better than the best" for a given price. There is sureness, evenness, heft and good value to our linens because we have woven them into a lifetime's study and the honor and good name of Hunt. We will take scrupulous care not to impair that reputation in the future but daily to impress it more firmly. These are proof:

LINEMAN INJURED.

Son of Rev. E. L. Shepard Has a Bad Fall at Covington.

Ray Shepard, a lineman in the employ of the Union Light, Heat and Power Company at Covington, had a narrow escape from death Friday, but will be confined to his room for several weeks.

He was working on a pole at Fourth street and Madison avenue in that city when he touched a live wire. The shock caused him to loosen his hold on the pole and he fell to the street, a distance of about twenty feet.

He struck on his left elbow and had the bone broken in the arm and was also badly shaken up internally.

Mr. Shepard is a son of Rev. E. L. Shepard, former Pastor of the M. E. Church in this city, but was at present Pastor of the Ludlow Methodist Church.

The Salve That Heals

Without leaving a scar is DeWitt's. The name Witch Hazel is applied to many salves, but DeWitt's Witch Hazel Salve is the only Witch Hazel Salve made that contains the pure unadulterated Witch Hazel. If any other Witch Hazel Salve is offered you it is a counterfeit. E. C. DeWitt invented Witch Hazel Salve, and DeWitt's Witch Hazel Salve is the best salve in the world for cuts, burns, bruises, blisters, or blind, bleeding, itching and protruding piles. Sold by J. Jas. Wood & Son, Druggists.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity.

Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work.

The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address,

F. J. CHENEY & CO., Toledo, O.

REPUBLICAN COUNTY CONVENTION.

The Republicans of Mason county will meet at the Courthouse in this city Saturday, October 17th, 1903, at 1:30 o'clock p.m., to nominate candidates for Representative and Circuit Clerk, to be voted for at the coming November election.

W. D. COCHRAN, Chairman.

THE Louisville Herald says that the per capita amount of money in circulation in the United States being now \$29.75—the highest amount ever reached in the history of the country—it would make some anxious men glad to know where they shall call at for their \$29.75.

THE Attorneys for the Hon. CALEB POWERS have filed their bill of exceptions to the recent verdict against their client; but owing to the large crop of red tape, it is hardly probable that the Court of Appeals will begin its wrestle with the case earlier than January, 1904. However, the election will be over long before that time, and the sentence to "hang Powers and damn the Republican party" will have proven "a good enough Morgan" to keep up partisan bitterness.

GOV. BRADLEY'S CALL TO DUTY.

Chairman John C. Wood of the Republican Speakers' Bureau has received the following letter from former Governor Bradley:

Louisville, Ky., October 2d, 1903.

Hon. John C. Wood, Chairman Speakers' Bureau—Sir: Had my health justified I would have spoken for the Republican party before this, and shall certainly speak as soon as able. The best interest of the state requires the election of the Republican ticket, and I trust that no man will be found who is not willing to do his duty.

I hope that no effort will be spared to register the vote in the cities and towns of the Commonwealth, as this is the foundation of success, and in the absence of a full and proper registration we cannot hope to win. Your friend,

W. O. BRADLEY.

The Rev. R. E. Moss of the Christian Church will officiate at the Walker-Pugh wedding at Vanceburg Wednesday evening.

If you are contemplating a trip to any point in the West you will find it to be to your interest to write to the undersigned, stating fully your point of destination, your nearest railroad station, the number in your party and the date you wish to start. He will give you full information, the exact cost of your trip or, if you so desire, will call on you in person and explain everything fully to you. A letter addressed to him, giving him information, may be the means of saving you several dollars.

H. C. KENNEDY,

Southeastern Passenger Agent, Big Four Route, Huntington, W. Va.

WITH YOUTSEY in the Penitentiary, GEORGE FRANKLIN WEAVER the-Lord-knows where, CULTON in Jail, and TOM CAMPBELL in—well, with these "star" performers entirely out of the play, maybe there'll be some chance for Justice in Kentucky.

It is announced at the White House that the President's proclamation calling Congress in extra session on November 9th will be issued on October 20th. This will give some of the members sufficient time to crawl out of the election wreck and find "where they are at."

WHAT a pity! T. C. CAMPBELL is confined to his home in New York City by orders of his physician, who has given the most positive orders that the patient shall remain in bed for several months. CAMPBELL worked very hard in the prosecution of the Goebel cases, and the strain incident on that task aggravated a complaint from which he has suffered for years. The result was a sudden termination of the eminent Jury Fixer's active functions and the orders to take care of himself. Again—what a pity!

A correspondent of The Louisville Herald "humps up his back up," charging that paper with an attempt to place such men as ex-Governor Bradley and ex-Governor Brown on a level with as high-minded, high-toned gentleman as Governor Beckham, a man that has stood by and for the common people; and The Herald promptly disclaims any such intention, citing a single instance in which there is a distance between their levels of \$71,199.93, established by Governor Brown himself, who was handling the money of the taxpayers and collected \$606,641.00 of war claims from the National Government at a total cost of 2 cents in postage. This was in 1892, when Governor Brown was a plain Democratic Governor, without guile and without itch to divert the money of the people from their possession. In those old-fashioned days that was considered right and Democratic. But in 1903 that high-minded and high-toned gentleman, Governor Beckham, handling the same sort of claim, collected \$1,323,099.35, and it was calhouned to the extent of \$71,199.93. There is not only high-mindedness and high-tonedness for you, but also high-pricedness. Mr. Beckham is away up high above Governor Brown's level—that is, if Mr. Beckham can be said to be on the level. The account can be presented in this form:

Cost to the state of collection of \$606,641.03 by Gov. Brown...\$00,000.02 Cost to state of collection of \$1,323,099.35 by Gov. Beckham. 71,199.95

Difference in cost.....\$ 71,199.93

It is hardly probable that Governor Brown could reach Governor Beckham's level in a life-time, even if he tried. It is still more improbable that he would try. Calhoun was not considered Democratic in his day.

"Hope... Springs Eternal in the Human Breast"

The bright days following the recent rains have caused the grass to grow and give promise of fine fall pastures. The ground is in fine condition for seeding. Tobacco is all housed and curing nicely. All the farmers are encouraged by the outlook, notwithstanding the severe drought through which we have passed. I am thankful and "hopeful." I have a number of good farms for sale at reasonable prices. Now is the time to buy.

"Having taken your wonderful 'Cascarets' for three months and being entirely cured of stomach and dyspepsia, I think a word of praise is due to 'Cascarets' for their wonderful composition. I have been unable to find any similar remedies but without avail and I find that Cascarets relieves more in a day than all the others I have taken would do in a week."

KILLING IN FLEMING.

An Argument Over Baseball Led to a Tragedy at Beechburg.

There was a killing at Beechburg, Fleming county, Saturday over an argument relative to the merits of a local baseball game, which resulted in the killing of Abe Cline by Ben Walton.

Howard Clark was mixed up in the affairs, starting it by cutting Zyx Cline, a son of Abe Cline, several times in the body.

The parties are related to Mr. and Mrs. John Lytle of this city, who left this morning to bring the remains to this city to ship them to Bracken county for burial.

IMAGINARY CLAIM.

Man Said He Lost His Pocket-Book, But He Didn't.

There was an occurrence at Mrs. Pollitt's boarding-house in Court street Saturday that gave the family of this honest and worthy woman considerable worry and trouble.

A Mr. S. S. Steen, formerly of Manchester, G., has been stopping with her off and on for several years.

Saturday he imagined he had lost a pocket-book containing \$74. The house was searched from top to bottom, every nook and corner—and even the vault—was looked into. He even had the police to make a search.

After having the family crazy all day he coolly walked into the kitchen and informed Mrs. Pollitt that he had found it in his side pocket, where it had been all the time.

It was a book six inches long and how it remained so long on his person without discovery is for him to explain.

He certainly ought to have had the manhood to compensate Mrs. Pollitt for her time and trouble in looking for it.

We Learned a Great Truth.

It is said of John Wesley that he once said to Mistress Wesley: "Why do you tell that child the same thing over and over again?" "John Wesley, because once telling is not enough." It is for this same reason that you are told again and again that Chamberlain's Cough Remedy cures colds and gripes; that it counters any tendency of these diseases to result in pneumonia, and that it is pleasant and safe to take. A WARNING

TO THE PEOPLE OF MAYSVILLE.

Much Sickness Predicted This Fall—Early Precautions Should Be Taken.

"Our seasons nowadays seem to be all mixed up," remarked a PUBLIC LEDGER reporter the other day to Mr. J. C. Pecor, our well known Druggist. "The winter seems to have tumbled into summer and summer into winter. It is stated by health authorities that such sudden changes cannot help but result in early fall colds, the grippe and other sickness. This condition of things is also bad for old people, or those who are run down or have a tendency to any weakness or disease."

"You are right," said Mr. Pecor; "the weather indications all point to a cold, wet and generally unhealthy fall, and people are warned to take extra precautions to ward off sickness, especially the old, and those who are already in delicate health."

"If I could only meet every person in this city face to face and tell them what a grand protection to health Vinol is, I know I could convince them so I would not have clerks enough in my store to fill their orders. You see, we have been selling Vinol for several years, and every bottle is sold on a positive guarantee that if it does not do as we say, we will pay back the money, and as we have not been asked to refund for more than two bottles out of every hundred sold, this proves that Vinol is successful in ninety-eight cases out of every hundred. We never sold a medicine that is so universally successful; and yet this is not strange, for Vinol is the only preparation of cod liver oil which does not contain oil, or any disagreeable feature, yet does contain every one of the fifty odd medicinal curatives that are found in cod liver oil.

"If you know of any one who needs the grandest, surest, most pleasant tonic rebuilding of strength, one that will positively cure chronic colds, coughs, bronchitis, strengthen the old, build up the weak and run down and make rich, red blood, and health in place of pallor and weakness, just send them in here for a bottle of Vinol, and if it does not do them good it won't cost them a cent." J. C. Pecor, Druggist.

As this invitation is broad and the guarantee protects every person in Maysville, we should advise all to accept Mr. Pecor's offer.—Editor.

NEW INSURANCE ORDER.

W. LaRue Thomas, Formerly of This City, Is Its President.

At Pittsburgh in a few days will be chartered a corporation to be called the American Life and Annuity Society.

The capital stock will be \$2,000,000 and the surplus \$400,000.

The society will be a fraternal insurance order, which will insure members and pay the insurance, but in annuities.

Colonel W. LaRue Thomas, formerly of this city, is President of the Society.

Do Good—It Pays.

A Chicago man has observed that "Good deeds are better than real estate deeds—some of the latter are worthless. Act kindly and gently, show sympathy and lend a helping hand. You cannot possibly lose by it." Most men appreciate a kind word and encouragement more than substantial help. There are persons in this community who might truthfully say: "My good friend, cheer up. A few doses of Chamberlain's Cough Remedy will rid you of your cold, and there is no danger whatever from pneumonia when you use that medicine. It always cures. I know it, for it has helped me out many a time." Sold by J. Jas. Wood & Son.

A Well-dressed Man!

Makes you stop and consider the very important point, "Do I look like him, or am I shabby?" I wonder what it cost him to look like that? NOW LISTEN: If he lacks good judgment it costs him a lot of money. If he places himself in our hands it doesn't. We endeavor to place every man that deals with us under obligations to us—and then he starts out to cancel that obligation by bringing in a friend, who becomes a customer, and who in turn starts out to bring his friends—and so on.

How do we place a customer under obligations to us? We give him all that his money calls for and more than he expects, consider his whims and feelings and pocket-book. He's pleased, and he can't help telling his friends. Thus the good work goes on.
